Social Studies Lexicon: History, Geography, Civics & Economics

500-Item Bilingual Reference for Academic Discourse, Lecture Delivery, and Text Composition

PART 1: HISTORICAL CONCEPTS & CIVILIZATION NOUNS (ITEMS 1–25)

History: Nouns A

#	Term (Noun)	Hindi Meaning	Pedagogical Meaning	Spoken Lecture / Writing Example
1	Artifact	कलाकृति / पुरावशेष (Puraavashesh)	An object made or shaped by human workmanship.	*"The terracotta artifact reveals urban Harappan craftsmanship."*
2	Dynasty	राजवंश (Rajvansh)	A succession of rulers from the same family lineage.	*"The Maurya dynasty unified disparate subcontinental territories."*
3	Chronology	कालक्रम (Kaalakram)	Arrangement of historical events in order of occurrence.	*"Construct a chronology of the Indian National Movement."*
4	Colonialism	उपनिवेशवाद (Upniveshvaad)	Control by one power over a dependent area or people.	*"British colonialism restructured agrarian revenue systems."*
5	Imperialism	साम्राज्यवाद (Saamraajyavaad)	Policy of extending a country's power via conquest.	*"Nineteenth-century European imperialism spurred competition in Africa."*
6	Inscription	शिलालेख (Shilaalekh)	Words inscribed on stone, clay, or metal surfaces.	*"Ashoka's rock inscriptions spread edicts of Dhamma widely."*
7	Historiography	इतिहास लेखन (Itihaas Lekhan)	The study of historical writing and methodology.	*"Subaltern historiography shifted focus onto grassroots peasant voices."*
8	Feudalism	सामंतवाद (Saamantvaad)	Social system based on land tenure in exchange for service.	*"European feudalism declined with rising mercantile commerce."*
9	Sovereignty	संप्रभुता (Samprabhuta)	Supreme, independent power and authority over a realm.	*"Treaties codified national sovereignty within bounded frontiers."*
10	Nationalism	राष्ट्रवाद (Rashtravaad)	Identification with and devotion to one's nation.	*"Anti-colonial nationalism forged unified civic solidarity."*
11	Treaty	संधि / समझौता (Sandhi)	Formally ratified agreement between sovereign states.	*"The Treaty of Versailles altered the geopolitical map of Europe."*
12	Annexation	विलय / कब्जा (Vilay)	Incorporation of a territory into an existing political unit.	*"The annexation of Awadh ignited widespread resentment in 1856."*
13	Monarchy	राजतंत्र (Raajtantra)	A form of government with a monarch at the head.	*"The French Revolution dismantled the absolute Bourbon monarchy."*
14	Renaissance	पुनर्जागरण (Punarjaagaran)	Cultural revival marked by classical learning and inquiry.	*"The Renaissance spurred humanistic artistic and scientific pursuits."*
15	Secularism	धर्मनिरपेक्षता (Dharmanirpekshata)	Separation of religious institutions from state governance.	*"Constitutional secularism guarantees equal freedom of conscience."*
16	Excavation	उत्खनन (Utkhanan)	Systematic unearthing of archaeological remains.	*"The excavation at Rakhigarhi revealed sophisticated drainage grids."*
17	Numismatics	मुद्राशास्त्र (Mudraashaastra)	The systematic study and collection of currency and coins.	*"Kushana numismatics illustrates expansive Silk Road exchange."*
18	Archive	अभिलेखागार (Abhilekhaagaar)	Repository of historical government and civic records.	*"Scholars cross-referenced primary gazettes at the national archive."*
19	Revolution	क्रांति (Kraanti)	Sudden, fundamental change in political or social power.	*"The Industrial Revolution transformed manual home manufacture."*
20	Heritage	विरासत / धरोहर (Viraasat)	Valued traditions and historic sites passed down generations.	*"Ajanta cave frescos form part of world cultural heritage."*
21	Insurrection	विद्रोह (Vidroh)	An armed uprising or revolt against civil authority.	*"The Santhal insurrection challenged zamindari extortion in 1855."*
22	Sepoy	सिपाही (Sipaahi)	Native Indian soldier serving under European colonial command.	*"Sepoys at Meerut initiated the historic uprising of 1857."*
23	Boycott	बहिष्कार (Bahishkaar)	Refusal to purchase or engage with entities as protest.	*"The Swadeshi agitation urged the public boycott of foreign textiles."*
24	Suffrage	मताधिकार (Mataadhikaar)	The legal right to vote in political elections.	*"Universal adult suffrage was enshrined upon adopting the Constitution."*
25	Chronicle	इतिवृत्त (Itivritta)	Factual written account of historical events over time.	*"The Ain-i-Akbari is an administrative chronicle of Mughal rule."*

PART 2: GEOGRAPHY: PHYSICAL LANDSCAPES & ENVIRONMENTAL SYSTEMS (ITEMS 26–50)

Geography: Nouns A

#	Term (Noun)	Hindi Meaning	Pedagogical Meaning	Spoken Lecture / Writing Example
26	Plateau	पठार (Pataar)	Elevated flat-topped tableland with steep sides.	*"The Deccan Plateau consists of extensive basaltic lava beds."*
27	Tributary	सहायक नदी (Sahaayak Nadi)	Stream or river flowing into a larger river or lake.	*"The Yamuna functions as the principal tributary of the Ganga."*
28	Distributary	वितरिका (Vitarika)	Branch river channel branching away from the main river.	*"Delta formations develop as distributaries branch out to sea."*
29	Archipelago	द्वीपसमूह (Dweepsamooh)	An extensive group or cluster of islands.	*"The Andaman and Nicobar archipelago lies across the Bay of Bengal."*
30	Peninsula	प्रायद्वीप (Praayadweep)	Landmass surrounded by sea on three sides.	*"The Indian peninsula projects southwards toward the Indian Ocean."*
31	Isthmus	स्थलडमरूमध्य (Sthaldamroomadhya)	Narrow strip of land connecting two larger land areas.	*"The Isthmus of Panama links North and South America."*
32	Strait	जलडमरूमध्य (Jaldamroomadhya)	Narrow maritime passage connecting two large seas.	*"The Palk Strait separates Tamil Nadu from Sri Lanka."*
33	Alluvium	जलोढ़ (Jalodh)	Fertile silt and clay deposited by running river waters.	*"Perennial floodplains replenish alluvium across northern plains."*
34	Precipitation	वर्षन / वृष्टि (Varshan)	Moisture condensing and falling as rain, snow, or hail.	*"Mawsynram records the highest annual precipitation on Earth."*
35	Monsoon	मानसून (Maansoon)	Seasonal prevailing wind bringing significant rainfall.	*"The southwest monsoon drives the Kharif agricultural cycle."*
36	Catchment area	जल-ग्रहण क्षेत्र (Jal-Grahan)	Area from which rainfall flows into a designated river.	*"Reforesting the catchment area mitigates downstream silting."*
37	Watershed	जलविभाजक (Jalvibhaajak)	Ridge of high ground separating draining basins.	*"The Western Ghats act as a major continental watershed."*
38	Aquifer	जलभृत (Jalbhrit)	Underground layer of permeable rock holding water.	*"Over-extraction is depleting deep subterranean aquifers."*
39	Estuary	ज्वारनदमुख (Jwaarnadmukh)	Tidal mouth of a river where freshwater mixes with seawater.	*"The Narmada River drains into an estuary rather than a delta."*
40	Topography	स्थलाकृति (Sthalaakriti)	Arrangement of natural and artificial surface relief.	*"Rugged topography restricts highway development in hill states."*
41	Biome	बायोम / जीवोम (Jeevome)	Large ecological community adapted to specific climate zones.	*"The tropical evergreen biome sustains high biodiversity."*
42	Desertification	मरुस्थलीकरण (Marusthaleekaran)	Process by which fertile land transforms into desert.	*"Overgrazing accelerates desertification along arid fringe zones."*
43	Equinox	विषुव (Vishuv)	Time when sun crosses celestial equator; equal day and night.	*"The vernal equinox marks equal daylight across both hemispheres."*
44	Solstice	अयनांत (Ayanaant)	When the sun reaches highest or lowest astronomical point.	*"The summer solstice brings the longest day in the Northern Hemisphere."*
45	Cartography	मानचित्रकला (Maanchitrakala)	The science and practice of drawing geographical maps.	*"Modern cartography integrates digital GIS satellite data layers."*
46	Demography	जनसांख्यिकी (Jansaankhyiki)	Statistical study of human populations and demographic trends.	*"Census tables provide key data on regional demography."*
47	Urbanization	शहरीकरण (Shahreekaran)	Process by which cities grow and rural populations shift.	*"Rapid urbanization strains metropolitan municipal services."*
48	Migration	प्रवासन (Pravaasan)	Movement of populations from one place to another.	*"Seasonal labor migration rises after harvest intervals."*
49	Fault line	भ्रंश रेखा (Bhransh Rekha)	Fracture zone between two moving tectonic rock blocks.	*"Movement along the Himalayan fault line triggers seismic tremors."*
50	Sedimentation	अवसादन (Avsaadan)	Settling of mineral particles suspended in river currents.	*"Reservoir sedimentation curtails effective hydro-dam storage."*

PART 3: CIVICS, CONSTITUTIONAL GOVERNANCE & LAW (ITEMS 51–75)

Civics: Nouns A

#	Term (Noun)	Hindi Meaning	Pedagogical Meaning	Spoken Lecture / Writing Example
51	Constitution	संविधान (Samvidhaan)	Supreme legal framework governing state operation.	*"The Indian Constitution guarantees fundamental egalitarian rights."*
52	Preamble	प्रस्तावना / उद्देशिका (Prastaavana)	Preliminary statement outlining basic constitutional tenets.	*"The Preamble declares India to be a Sovereign Republic."*
53	Democracy	लोकतंत्र (Loktantra)	Governance system where citizens elect representation.	*"A free press remains an indispensable pillar of democracy."*
54	Federalism	संघवाद (Sanghvaad)	Power-sharing division between union and regional states.	*"Cooperative federalism ensures coordinated fiscal planning."*
55	Judiciary	न्यायपालिका (Nyaayapaalika)	Judicial system responsible for interpreting state laws.	*"An independent judiciary safeguards fundamental rights."*
56	Legislature	विधायिका (Vidhaayika)	Elected parliamentary body empowered to enact laws.	*"The union legislature comprises the President and two Houses."*
57	Executive	कार्यपालिका (Kaaryapaalika)	Government branch responsible for enforcing state law.	*"The political executive is accountable to the legislature."*
58	Jurisdiction	अधिकार क्षेत्र (Adhikaar Kshetra)	The official legal power to hear and decide legal cases.	*"Appellate jurisdiction allows the Supreme Court to review cases."*
59	Ordinance	अध्यादेश (Adhyaadesh)	Temporary law promulgated by executive while house recesses.	*"The President promulgated an ordinance during the parliamentary recess."*
60	Bureaucracy	नौकरशाही (Naukarshaahi)	Administrative organization of non-elected civil servants.	*"A professional bureaucracy implements public welfare policies."*
61	Franchise	मताधिकार (Mataadhikaar)	The statutory constitutional privilege and right to vote.	*"Lowering the voting age broadened the national franchise."*
62	Coalition	गठबंधन (Gathbandhan)	Temporary alliance of political parties to form government.	*"Coalition governance demands consensus-building across parties."*
63	Amendment	संशोधन (Sanshodhan)	Formal revision, modification, or addition to legislation.	*"The 73rd Amendment institutionalized Panchayati Raj institutions."*
64	Bicameralism	द्विसदनीय व्यवस्था (Dwisadaneey)	Legislative system structured into two distinct houses.	*"Parliamentary bicameralism ensures dual checks on draft bills."*
65	Referendum	जनमत संग्रह (Janmat Sangrah)	Direct public vote on a specific statutory proposal.	*"A national referendum was held to ratify the constitutional treaty."*
66	Writ	याचिका / समादेश (Samaadesh)	Formal legal directive issued by high courts for remedy.	*"The court issued a writ of Habeas Corpus to protect the citizen."*
67	Quorum	गणपूर्ति (Ganapoorti)	Minimum member attendance required to conduct proceedings.	*"The speaker adjourned the session due to a lack of statutory quorum."*
68	Autonomy	स्वायत्तता (Swaayattata)	Self-governing freedom from external administrative control.	*"Eighth Schedule provisions foster cultural and linguistic autonomy."*
69	Discretion	विवेकाधिकार (Vivekaadhikaar)	Freedom to decide according to legal individual judgment.	*"The governor exercises constitutional discretion in hung assemblies."*
70	Impeachment	महाभियोग (Mahaabhiyog)	Formal trial to remove high constitutional dignitaries.	*"Judicial impeachment requires a two-thirds majority in Parliament."*
71	Pluralism	बहुलवाद (Bahulvaad)	Coexistence of diverse socio-cultural groups within a state.	*"Democratic pluralism thrives when minority identities are safeguarded."*
72	Hegemony	आधिपत्य / वर्चस्व (Varchasva)	Leadership or predominant cultural influence by one group.	*"Diplomats debated ways to counter superpower maritime hegemony."*
73	Appellate	अपीलीय (Apeeleey)	Having power to review lower trial judgments.	*"The Supreme Court sits as the ultimate appellate forum in civil cases."*
74	Accountability	जवाबदेही (Jawaabdehi)	Obligation of administrators to explain civic actions.	*"Right to Information statutes bolster governmental accountability."*
75	Proclamation	उद्घोषणा (Udghoshana)	Official public announcement issued by high authority.	*"A proclamation of emergency requires parliamentary ratification."*

PART 4: ECONOMICS, FISCAL POLICY & DEVELOPMENT NOUNS (ITEMS 76–100)

Economics: Nouns A

#	Term (Noun)	Hindi Meaning	Pedagogical Meaning	Spoken Lecture / Writing Example
76	Inflation	मुद्रास्फीति (Mudraasfeeti)	General rise in price levels reducing purchasing power.	*"Central banks adjust interest rates to rein in headline inflation."*
77	Deflation	मुद्रासंकुचन (Mudraasankuchan)	Persistent decline in the general price level of goods.	*"Sustained deflation risks suppressing industrial capital spending."*
78	Gross Domestic Product	सकल घरेलू उत्पाद (GDP)	Total monetary value of finished goods produced in a nation.	*"Manufacturing sector expansion boosted quarterly GDP expansion."*
79	Fiscal deficit	राजकोषीय घाटा (Raajkosheey)	Excess of state expenditure over revenue receipts.	*"The finance ministry outlined measures to trim the fiscal deficit."*
80	Subsidy	सब्सिडी / राजसहायता (Subsidy)	State grant aiding public consumption or production costs.	*"Direct benefit transfers disburse the fertilizer subsidy cleanly."*
81	Tariff	प्रशुल्क / आयात शुल्क (Prashulk)	Tax imposed on imported commodities at border customs.	*"Protective tariffs shelter domestic producers from foreign dumping."*
82	Revenue	राजस्व (Raajasva)	Total government income collected through taxes and levies.	*"Direct corporate taxes form a substantial slice of union revenue."*
83	Monopoly	एकाधिकार (Ekaadhikaar)	Exclusive market control by a solitary business vendor.	*"Competition laws prevent the formation of an uncompetitive monopoly."*
84	Oligopoly	अल्पाधिकार (Alpaadhikaar)	Market structure dominated by a small hand of producers.	*"The commercial aviation sector operates as an oligopoly."*
85	Disinvestment	विनिवेश (Vinivesh)	Liquidating government equity holdings in public enterprises.	*"Strategic disinvestment mobilizes non-tax capital receipts."*
86	Remittance	प्रेषित धन (Preshit Dhan)	Funds dispatched by expatriate migrant workers back home.	*"Overseas remittances stabilize the national current account."*
87	Poverty line	गरीबी रेखा (Gareebi Rekha)	Minimum income benchmark necessary to afford basic staples.	*"Surveys estimate the percentage of families living below poverty line."*
88	Depreciation	मूल्यह्रास (Moolyahraas)	Decline in market asset value or exchange rate over time.	*"Currency depreciation raises the cost of importing crude petroleum."*
89	Appreciation	मूल्यवृद्धि (Moolyavriddhi)	Increase in asset worth or foreign exchange currency price.	*"Strong export demand led to the gradual appreciation of the rupee."*
90	Commodity	वस्तु / पण्य (Panya)	Raw agricultural staple or mineral traded in bulk exchanges.	*"Crude oil is a strategic commodity on global futures exchanges."*
91	Liquidity	तरलता (Taralata)	Ease with which financial assets convert into ready cash.	*"Open market bond repurchases infuse liquidity into commercial banks."*
92	Venture capital	जोखिम पूंजी (Jokhim Poonji)	Capital invested in startup enterprises with growth upside.	*"Venture capital drives innovative technological startups."*
93	Amortization	ऋणमुक्ति / परिशोधन (Parishodhan)	Gradual repayment of loan principal over an agreed tenure.	*"The project budget accounts for yearly debt amortization schedules."*
94	Consumerism	उपभोक्तावाद (Upbhoktaavaad)	Socio-economic order encouraging acquiring consumer goods.	*"Modern consumerism drives high production but generates solid waste."*
95	Infrastructure	बुनियादी ढांचा (Buniyaadi Dhaancha)	Physical structures like transport, power, and water systems.	*"Capital outlays on logistic infrastructure reduce freight expenses."*
96	Globalisation	वैश्वीकरण (Vaishveekaran)	Integration of regional economies into global network markets.	*"Globalisation accelerated technology transfers and cross-border trade."*
97	Privatisation	निजीकरण (Nijeekaran)	Transfer of public assets and services into corporate ownership.	*"Post-1991 reforms initiated phased industrial privatisation."*
98	Liberalisation	उदारीकरण (Udaareekaran)	Relaxation of state industrial regulations and licensing curbs.	*"Trade liberalisation dismantled restrictive tariff walls."*
99	Disparity	असमानता / विषमता (Vishamata)	Marked inequality or difference in wealth and resources.	*"Targeted welfare schemes aim to narrow regional economic disparity."*
100	Equilibrium	संतुलन (Santulan)	State where market supply balances aggregate demand exactly.	*"The equilibrium price clears excess surplus from agricultural markets."*

PART 5: CROSS-DISCIPLINARY SOCIAL STUDIES NOUNS (ITEMS 101–125)

Integrated Nouns B

#	Term (Noun)	Hindi Meaning	Pedagogical Meaning	Spoken Lecture / Writing Example
101	Archetype	मूलरूप / आदर्श (Moolroop)	A prototypical example serving as a classic historic model.	*"Rome remains the archetype of early imperial state architecture."*
102	Tribute	खिराज / नजराना (Khiraaj)	Payment made periodically by a subordinate state to a sovereign.	*"Subordinated principalities remitted tribute to the imperial capital."*
103	Hinterland	पृष्ठप्रदेश (Prishthapradesh)	Inland land area lying behind a port or coastal trade city.	*"The port of Mumbai draws agricultural produce from its hinterland."*
104	Erosion	अपरदन (Apardan)	Wearing away of soil and topsoil by wind, rain, or runoff.	*"Contour bunding prevents soil erosion on vulnerable mountain slopes."*
105	Weathering	अपक्षय (Apakshay)	Breakdown of rocks in situ by chemical and thermal actions.	*"Chemical weathering produces fertile black regur soil from trap rock."*
106	Moraine	हिमोढ़ (Himodh)	Accumulation of glacial debris dumped during melt retreats.	*"Terminal moraines mark the farthest advance of Pleistocene glaciers."*
107	Gerrymandering	चुनावी क्षेत्र जोड़-तोड़	Redrawing election boundary lines to favor a party faction.	*"Independent boundary commissions prevent gerrymandering practices."*
108	Nepotism	भाई-भतीजावाद (Bhaai-Bhateeja)	Favoritism shown to relatives in bureaucratic appointments.	*"Civil service entrance exams were designed to eliminate nepotism."*
109	Anarchy	अराजकता (Araajakata)	State of societal disorder due to absence of authority.	*"The breakdown of imperial authority plunged the border into anarchy."*
110	Totalitarianism	सर्वाधिकारवाद (Sarvaadhikaar)	Dictatorial regime enforcing total state control over life.	*"Totalitarianism suppressed independent trade unions and media."*
111	Depository	निक्षेपागार (Nikshepaagaar)	Institution holding securities and shares electronically.	*"Modern stock trading routes transactions through a central depository."*
112	Insolvency	दिवालियापन (Divaaliyaapan)	State of being unable to pay debts as they become payable.	*"The insolvency code helps banks recover bad industrial loans."*
113	Externalities	वाह्य प्रभाव (Baahya Prabhaav)	Side effects of commercial activity affecting third parties.	*"Industrial effluents impose negative environmental externalities."*
114	Mercantilism	व्यापारिक पूंजीवाद / वणिकवाद	Early economic theory prioritizing bullion reserves and exports.	*"Colonial charters were designed to advance British mercantilism."*
115	Autocracy	निरंकुश शासन (Nirankush)	Government by one single person with unrestricted power.	*"The Tsarist autocracy collapsed during the Petrograd uprising."*
116	Sediment	गाद / तलछट (Gaad / Talchhat)	Matter settling to the bed of a watercourse over time.	*"Rivers deposit rich sediment across broad downstream flood basins."*
117	Confluence	संगम (Sangam)	Junction where two navigable river channels flow together.	*"Prayagraj is celebrated for the holy river confluence of Ganga and Yamuna."*
118	Plebiscite	जनमत (Janmat)	Direct general election vote on an existential state issue.	*"A plebiscite was organized to determine regional accession."*
119	Bill	विधेयक (Vidheyak)	Draft legislative statutory act presented to parliament.	*"The money bill was passed without changes by the Lower House."*
120	Deprivation	वंचना (Vanchana)	State of lacking fundamental material resources and welfare.	*"Multidimensional indices measure human nutritional deprivation."*
121	Enclosure	घेराबंदी (Gheraabandi)	Fencing of communal pastures into private agrarian estates.	*"Parliamentary enclosure acts in Britain evicted peasant tenants."*
122	Cartel	उत्पादक संघ (Utpaadak Sangh)	Coalition of suppliers colluding to manipulate price levels.	*"The petroleum export cartel lowered quotas to buoy crude rates."*
123	Crater	ज्वालामुखी विवर (Vivara)	Bowl-shaped volcanic cavity around a central vent opening.	*"Lonar Lake occupies a dramatic ancient meteorite impact crater."*
124	Veto	निषेधाधिकार (Nishedhaadhikaar)	Constitutional power to unilaterally block official decisions.	*"Permanent Security Council delegates hold unilateral veto authority."*
125	Deficit	घाटा (Ghaata)	The shortfall when outlay exceeds received income inflows.	*"Unplanned imports widened the national merchandise trade deficit."*

PART 6: CORE SOCIAL SCIENCE ADJECTIVES (ITEMS 126–150)

Adjectives: Set A

#	Term (Adjective)	Hindi Meaning	Pedagogical Meaning	Spoken Lecture / Writing Example
126	Feudal	सामंती (Saamanti)	Relating to the medieval social system of land holding.	*"The peasantry revolted against oppressive feudal land levies."*
127	Agrarian	कृषि संबंधी (Krishi Sambandhi)	Relating to cultivated land, farms, or rural agriculture.	*"Monsoon variations directly affect India's agrarian economy."*
128	Arid	शुष्क (Shushk)	Having little or no rain; too dry to support regular crops.	*"Drip irrigation enables farming even in arid desert tracts."*
129	Semiarid	अर्ध-शुष्क (Ardh-Shushk)	Characterized by light annual precipitation.	*"Millets thrive across drought-prone semiarid plateaus."*
130	Egalitarian	समतावादी (Samataavaadi)	Believing in the fundamental equality of all people.	*"The reform movement championed an egalitarian social order."*
131	Bilateral	द्विपक्षीय (Dwipakksheey)	Affecting, conducted by, or binding two sovereign sides.	*"Both nations signed a bilateral trade and transit accord."*
132	Multilateral	बहुपक्षीय (Bahupaksheey)	Agreed upon or participated in by three or more nations.	*"Climate emission targets require binding multilateral treaties."*
133	Sovereign	संप्रभु (Samprabhu)	Possessing ultimate supreme, independent authority.	*"A sovereign republic determines domestic policy without coercion."*
134	Secular	धर्मनिरपेक्ष (Dharmanirpeksh)	Not connected with religious or spiritual matters.	*"The constitution mandates secular civic public instruction."*
135	Fiscal	राजकोषीय (Raajkosheey)	Relating to government revenue, taxes, and public spending.	*"The government introduced prudent fiscal stimulus measures."*
136	Monetary	मौद्रिक (Maudrik)	Relating to the money supply and banking currency policy.	*"The central bank tightened monetary policy to stabilize rates."*
137	Sedimentary	अवसादी (Avsaadi)	Formed from particulate matter deposited by water or wind.	*"Fossils are discovered predominantly within sedimentary strata."*
138	Metamorphic	कायांतरित (Kaayaantarit)	Rock transformed by intense natural underground heat/pressure.	*"Marble is a classic metamorphic transformation of limestone."*
139	Igneous	आग्नेय (Aagney)	Rock crystallized from solidified volcanic magma.	*"Basalt forms extensive igneous formations across Maharashtra."*
140	Constitutional	संवैधानिक (Samvaidhaanik)	In accordance with state foundational law.	*"Citizens possess a constitutional remedy under Article 32."*
141	Authoritarian	सत्तावादी (Sattaavaadi)	Enforcing strict obedience at the expense of personal freedom.	*"The dictator established an authoritarian governing regime."*
142	Marginal	सीमांत (Seemaant)	Occupying outer border fringes; economically bare.	*"Subsidy schemes support poor marginal farming households."*
143	Progressive	प्रगतिशील (Pragatigatisheel)	Advocating for forward social or democratic tax reform.	*"A progressive tax taxes higher incomes at higher rates."*
144	Regressive	प्रतिगामी (Pratigaami)	Imposing a disproportionate burden on poor tiers.	*"Uniform retail levies often operate as regressive taxes."*
145	Maritime	समुद्री (Samudree)	Connected with seafaring trade, commerce, or naval borders.	*"Ancient Chola kings expanded maritime commerce with Malaya."*
146	Demographic	जनसांख्यिकीय (Jansaankhyikeey)	Relating to human population structures.	*"A rising youth share yields a demographic dividend."*
147	Autonomous	स्वायत्त (Swaayatta)	Acting independently and enjoying self-government powers.	*"Sixth Schedule hill areas elect autonomous regional councils."*
148	Indigenous	स्वदेशी / मूल निवासी (Swadeshi)	Originating or occurring naturally in a particular region.	*"Tribal welfare laws protect indigenous forest dwellers."*
149	Mercantile	व्यापारिक (Vyaapaarik)	Relating to wholesale commerce or merchant trading.	*"Surat functioned as a bustling mercantile port under the Mughals."*
150	Ecological	पारिस्थितिक (Paaristhitik)	Relating to living organisms and their environment.	*"Deforestation disrupts fragile ecological equilibrium in hills."*

PART 7: SPECIALIZED SOCIAL STUDIES ADJECTIVES (ITEMS 151–175)

Adjectives: Set B

#	Term (Adjective)	Hindi Meaning	Pedagogical Meaning	Spoken Lecture / Writing Example
151	Colonial	औपनिवेशिक (Aupniveshik)	Relating to foreign imperial territorial governance.	*"Colonial forest laws dispossessed traditional tribal communities."*
152	Imperial	शाही / साम्राज्यवादी (Shaahi)	Relating to an empire or sovereign emperor.	*"Delhi served as the seat of imperial Mughal administration."*
153	Alluvial	जलोढ़ (Jalodh)	Formed by rich river silt deposited across plains.	*"Alluvial plains support dense agricultural populations."*
154	Glacial	हिमानी / हिमनदीय (Himani)	Pertaining to ice sheets, glaciers, or freezing epochs.	*"U-shaped valleys are classic hallmarks of glacial erosion."*
155	Volcanic	ज्वालामुखीय (Jwaalaamukheey)	Produced or ejected by active molten rock volcanoes.	*"Barren Island is the sole active volcanic outlet in India."*
156	Parliamentary	संसदीय (Sansadeey)	Governed through a representative sovereign parliament.	*"India adopted a Westminster-style parliamentary framework."*
157	Statutory	वैधानिक / सांविधिक (Saanvidhik)	Mandated, enacted, or regulated by legislative statute.	*"The Human Rights Commission is an independent statutory body."*
158	Judicial	न्यायिक (Nyaayik)	Pertaining to judges, court trials, and legal orders.	*"Judicial review ensures executive decrees respect fundamental laws."*
159	Nomadic	खानाबदोश (Khaanabadosh)	Roaming continuously without fixed permanent settlement.	*"Gujjars lead a nomadic pastoral life across high pastures."*
160	Sedentary	स्थायी (Sthaayee)	Settled in one fixed permanent residence.	*"Neolithic communities shifted from foraging to sedentary farming."*
161	Macroeconomic	समष्टिगत आर्थिक (Samashtigat)	Concerning whole national economies and global trends.	*"Sound macroeconomic indicators encourage foreign direct flows."*
162	Microeconomic	व्यष्टिगत आर्थिक (Vyashtigat)	Concerning individual buyer choices and firm pricing.	*"Consumer demand curves form a core microeconomic topic."*
163	Reciprocal	पारस्परिक (Paarasparik)	Given or felt equally in mutual cross return.	*"Bilateral pacts depend on reciprocal tariff concessions."*
164	Subordinate	अधीनस्थ (Adheenastha)	Ranked in a lower administrative or legal tier.	*"Subordinate courts operate under High Court superintendence."*
165	Oligarchic	कुलीनतंत्रीय (Kuleentantreey)	Governed exclusively by a small wealthy elite.	*"Political factions opposed the rise of oligarchic power."*
166	Perennial	सदाबहार / बारहमासी (Baarahmaasi)	Flowing or lasting throughout all twelve months.	*"Himalayan perennial rivers are recharged by summer glacial melts."*
167	Seasonal	मौसमी (Mausami)	Dependent upon or varying with calendar seasons.	*"Peninsular streams are seasonal and rely on monsoon rains."*
168	Tectonic	विवर्तनिक (Vivartanik)	Relating to the movements of Earth's lithospheric plates.	*"Tectonic convergence created the high folded Himalayas."*
169	Unicameral	एकसदनीय (Eksadaneey)	Having only a single legislative house or chamber.	*"Several Indian federated states operate unicameral assemblies."*
170	Universal	सार्वभौमिक (Saarvabhaumik)	Applicable everywhere to all citizens without exclusion.	*"Universal franchise ensures equal voting rights for all."*
171	Fiscal-neutral	राजकोषीय-तटस्थ (Tatastha)	Yielding identical tax returns without fiscal leakage.	*"The new tax rate was calibrated to remain fiscal-neutral."*
172	Hierarchical	पदानुक्रमित (Padaanukramit)	Arranged in graduated ranks of status and power.	*"Bureaucracies rely on clearly defined hierarchical protocols."*
173	Intercontinental	अंतरमहाद्वीपीय (Antarmahaadweepeey)	Spanning or connecting two distinct continents.	*"The historic Silk Road facilitated intercontinental trade."*
174	Demarcated	सीमांकित (Seemaankit)	Clearly separated by set borders or physical milestones.	*"The international frontier was demarcated on official maps."*
175	Sovereign-debt	संप्रभु ऋण (Samprabhu Rin)	National borrowing issued and underwritten by a state.	*"Developing nations sought restructuring of sovereign-debt loans."*

PART 8: CORE SOCIAL STUDIES ACTION VERBS (ITEMS 176–200)

Verbs: Set A

#	Term (Verb)	Hindi Meaning	Pedagogical Meaning	Spoken Lecture / Writing Example
176	Ratify	पुष्टि करना / अनुमोदित करना	Give formal statutory consent to an official treaty.	*"States must ratify the constitutional amendment by majority."*
177	Abolish	समाप्त करना (Samaapt Karna)	Formally put an end to a system, law, or practice.	*"Article 17 was enacted to abolish untouchability completely."*
178	Colonize	उपनिवेश बनाना (Upnivesh)	Settle among and establish control over territory.	*"European trading companies moved to colonize coastal enclaves."*
